

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the industry as durable and strong machinery which meets the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company which is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These types of scrubbers are available in the market under the brand name "Encore". American Lincoln could provide components, warranty service and equipment for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in new construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
