

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to providing new design concepts and top quality in order to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They enjoy offering products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs combined with their knowledge of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both technical support and parts available when it is needed. Their high service commitment is among the core values in their customer service. Keeping their clients' cleaning equipment running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machinery that ultimately lessens your cleaning cost. The price, the service and the product all work as one to be able to make them the leader in the business.
