

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it would actually be to clean up your home right after having a large party, with no help from cleaning machines. In the past, the time upholstery and carpets had the dust beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials back then.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his business in 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the beginning was to own a worldwide company advertising merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner which could be operated by a single individual in view of the fact that it only weighed 17.5 kilos! This creation came in a time where other cleaning equipment were huge and needed at least 4 operators, thus, the Nilfisk C1 changed everything and evolved the manner we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing dilemma; things get filthy and must be cleaned regularly, without too much effort.

Slowly but steadily, Nilfisk-Advance developed throughout the years. During the 1980s, this development really happened the time the business became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be one of the largest global players in the market of professional cleaning equipment. Nilfisk-Advance is now located in every part of the globe due to gradually obtaining numerous smaller businesses in order to expand their product range and presence in new markets. They are really proud to offer a variety of cleaning solutions to suit each requirement.
